

FEMALE RESEARCHERS face discrimination

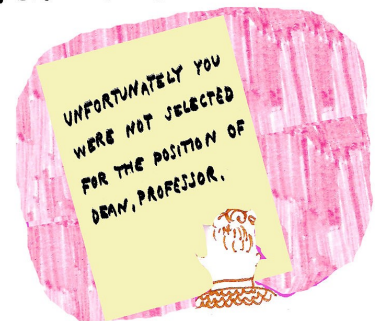

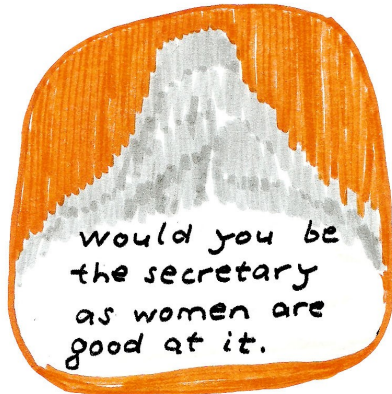

EARLY CAREER RESEARCHER

DOCTORAL RESEARCHER

SENIOR RESEARCHER

GENDER DISCRIMINATION IS RARELY BROUGHT UP AS PEOPLE ARE AFRAID THEY ARE NOT TAKEN SERIOUSLY. IF YOU FACE DISCRIMINATION BASED ON YOUR GENDER, YOU SHOULD NOT DEAL WITH IT ALONE. CERTAIN PEOPLE HAVE THE DUTY TO DEAL WITH THE ISSUE: YOUR LINE MANAGER, DEAN, HEALTH AND SAFETY REPRESENTATIVE, HARASSMENT CONTACT PERSON AND THE UNION.

The Finnish Union of University Researchers and Teachers

Unions are not just about collective bargaining and strikes. Jytte, the Jyväskylä branch of the Finnish Union of University Researchers and Teachers, supports its members when they face discrimination or harassment, advances the position of grant-funded researchers, and plays an active role in higher education policy on the national level. Become a member and join us in making the work environment better – for all of us!
